Terms and Conditions

1. Commencement Term and Termination

- a. The Owner grants a licence to the Customer to occupy the Berth during the term of the Agreement on the terms and conditions of the Agreement, and the Customer agrees to accept the same.
- b. Nothing in the Agreement shall create a lease, a tenancy, or any other property rights in the Berth.
- c. It is the Customer's responsibility to read and understand the Agreement. Failure to do so does not exempt the Customer from any liability to the Owner. From the earlier of the date on which the Customer signs the Berth Rental Agreement and the date on which the Customer accesses the Berth, the Customer will be deemed to have accepted and will be bound by the Agreement Terms and Conditions.
- d. The Owner may vary individual Agreements (or any document comprising the Agreement) by written notice to the Customer, provided such variation is reasonably required to manage the Marina in a safe, effective, and commercially sustainable manner, and the same variation can be applied to all customers of the Marina who occupy a Berth. Any variation will take effect five (5) Working Days after the date of the notice.
- e. The Customer shall vacate the Marina on or before midday on the last day of the Term.
- f. The Owner may terminate this Agreement on written notice if the Customer is in default, in accordance with the provisions of Clause 11.
- g. On the termination of the Agreement for any reason other than "end of Term", the Customer shall remove the Vessel and all the Customer's goods and effects from the Marina within seven (7) Working Days of the relevant date of termination.
- h. This Agreement commences upon the Commencement Date stated in the schedule, and thereafter remains in effect until terminated by either party giving one month's written notice to the other or upon expiry of the Term, whichever occurs first.

2. Rent

- a. The Customer agrees to pay the Rental Fee ("Rent") to the Owner in advance in monthly instalments as invoiced by the Manager. Rental for the Berth is payable on or before the Rental Commencement Date at the Rental Rate set out in The Schedule, or as amended from time to time, and thereafter in advance of any renewal term. The obligation to pay the rental fee is an essential term of the agreement.
- b. The Owner may, in its sole and absolute discretion propose a new Rental Fee by giving the Customer not less than one (1) month's written notice (Review Notice). The Customer shall, within ten (10) Working Days of the date of the Review Notice (Response Date) advise whether, or not it accepts the proposed new Rental Fee. If the Customer does not agree with the proposed new Rental Fee, then notwithstanding anything contained in the Agreement, the Owner may terminate this Agreement by notice to the Customer, such termination to take effect on the expiry of the Review Notice. The Customer's failure to respond by the Response Date shall be deemed acceptance of the proposed new Rental Fee. The new Rental Fee shall apply from one (1) day after the expiry of the Review Notice.
- c. Rent shall be paid by direct credit from a nominated bank account or by approved credit card. Any other payment method must have express prior approval from the Owner.
- d. Any costs associated with collecting unpaid or overdue amounts owed under this agreement will be on charged, plus interest calculated at 10% per month for the period that the debt is outstanding.

4. Berth

- a. The Customer shall occupy only the Berth indicated in the Schedule, or as amended by Clause 4b.
- b. The Manager may at any time require the Customer to relocate to an alternative Berth. The Customer shall not be liable for any compensation in respect of such change of the Berth. The terms of this Agreement shall apply to any such new Berth.

5. Subletting

- a. The Customer shall not use the Berth other than for mooring the nominated Vessel at the Berth identified in The Schedule.
- b. The Customer shall not be permitted to sublet or to authorise the use of the Berth by any other Vessel.

6. Electricity

- a. Electricity charges are included in the Rental Rate for Berth Rental Terms of less than seven (7) days.
- b. For any Term longer than (7) days, in addition to the Rental Fee, the Customer shall pay the monthly Outgoings invoiced by the Manager within five (5) Working Days of receiving the invoice (time being of the essence). The obligation to pay the Outgoings is an essential term of the Agreement.
- c. For any Term longer than (7) days, electricity will be charged on the basis of the kilowatts used as metered at the power plinth at the rate of \$0.30c/kwh + GST.
- d. Electricity charges are payable on Termination or at the end of each month, whichever occurs first.

- e. Rules are subject to amendment by the Owner at any time.

8. Owner not Liable

- a. The Customer shall indemnify and keep indemnified the Owner against all losses, expenses, legal liability including any legal claims, damages, expenses, collection costs and other liabilities (whether direct, indirect or consequential) arising out of the Agreement or of any act or omission of the Customer or its Invitees. Additionally, the Customer agrees to compensate, recompense, pay, indemnify and hold indemnified third parties for any loss or damage suffered by any third party which is caused by or results from the acts or omissions of the Customer or its Invitees.
- b. The Owner is not responsible for the care or protection of any property belonging to the Customer in the Marina. The Vessel and any other property of the Customer are entirely at the risk of the Customer while at the Marina and shall remain at the Customer's risk during the Term of the Agreement.

 - i. damage to, or theft or loss from, the Vessel, or for any damage to, or theft or loss of, any contents situated on or around the Vessel, while the Vessel is in the Marina howsoever occurring including, but without limiting the generality of the foregoing, loss or damage caused by the removal of the Vessel by any person not authorised by the Customer to remove it, whether such removal was permitted by the Manager or not; or

 - ii. The Owner may remove and/or detain the vessel until such time as all amounts owing under the agreement are paid.
